Global  
education

?

Global  
mindedness

# Global-mindedness

→ Neoliberal → Job skills

→ Promoting universal values

→ Critical → Transforming inequitable systems

→ Relationship/attitude towards others

→ Where do I fit into the world?

"I'm, I think, globally-minded. I'm trying to think about everything, though it's a bit overwhelming to try and carry everything from everywhere in my consciousness and care. You know, there is only so much energy, so much emotional energy that I have, so I have to really ration it."

Sense of agency

Sense of place

Wellbeing

Self-development

Understanding of own values

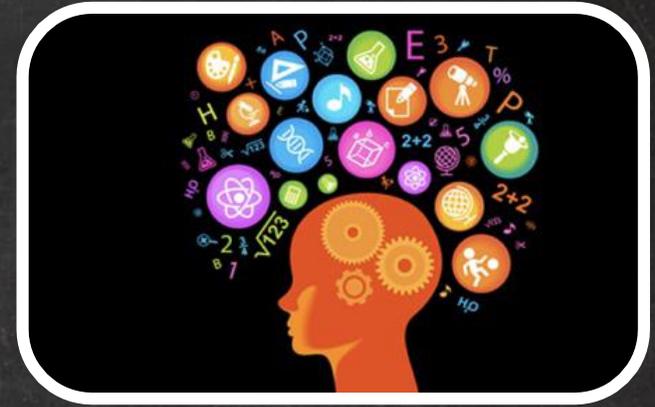

# Further issues to consider ...

Protection vs  
Exposure

Values

Critical  
Thinking

What is your  
reaction to this  
picture ?

Why do you have  
this perspective ?

---

He who knows others is wise.

He who knows himself is  
enlightened.
